

Online Pest Management Trainings Currently Available:

Federal Pesticide Laws

Personal Protective Equipment & Emergency Response

Pest Management

Pesticide Application Procedures

Pesticide Formulations

Pesticide Hazards and First Aid

Pesticide Labeling

Pesticides in the Environment

Planning the Pesticide Application

Transportation, Storage, Security and Professional Conduct

Aquatic Weed Control

Balancing Pest Management with Pollinator Health

Disease Management in Enclosed Spaces

Fungicides and Plant Pathogen Sampling

IPM, Insect Sampling and Pesticide Calibration

Management Strategies for Disease Issues in the Landscape

Pest Identification: Corn, Soybean & Grain Sorghum

Pest Identification: Rice, Cotton, and Peanuts

Pollinator Stewardship

Right-of-Way: Pest Control

Right-of-Way: Weed Control

Turfgrass: Keys to Disease Identification and Management

Zika & Other Mosquito Borne Diseases

Vertebrate Structural Pest Control and ID

Field Fumigation for Managing Vertebrate Pests

Cage Trapping Techniques

Identification & Control of Noxious Weeds

IPM for Turf Management
Seed Treatment Product Safety
Common Turfgrass Weeds
Cultural Practices for Turf Management
Turfgrass Disease, Insect, and Vertebrate Pests
Application Equipment and Calibration
Reading the Pesticide Label: Beyond the Basics
Bed Bugs: Overview and Management
Intro to Mosquito Control
Mosquito Identification
Mosquito Management & Control
IPM for Termite Prevention
Common Ornamental Plant Pests
IPM for Ornamental Plant Management
Ornamental Pesticide Application Equipment and Calibration
Annual Bluegrass Resistance Management
Home Lawn and Landscape Management
Respiratory Protection
General Structural Pest Management
Structure Investing Pest Management
Structure Invading Pest Management
Rodents and Other Vertebrate Pest Management
Right-of-Way: Pest Management Overview
Antimicrobials
Environmental Fate and Transport of Pesticides
Pesticide Labels and Safety Data Sheets
Bat Damage Control
Euthanasia and Carcass Disposal
Mice: The Ubiquitous Commensal Rodent
Inspecting Structures for Wildlife
Mole Management
Understanding Rodenticides and Their Labels

Management of Pocket Gophers

Skunks: Smell the Success

Control & Management of Unprotected Birds

Voles: Biology, Damage, and Control
